ALL PUBLIC SERVANTS/EMPLOYEES**

### **14-DAY LOCKDOWN PERIOD FOR NON-ESSENTIAL SERVICES DUE TO COVID-19.**

This Circular Instruction serves to inform all heads of government agencies that upon the decision of the National Security Council and National Executive Council on 22<sup>nd</sup> March 2020, the Prime Minister through his Media Statement has released some drastic measures that will be undertaken to combat the spread of COVID-19 in PNG.

The NEC has therefore approved a 14-day Lockdown on non-essential services throughout the country, amongst other matters. In implementing this directive, the following measures are to be followed by all government agencies.

- **All Public Servants are allowed to take paid leave of absence from work place to work at home, effective from Tuesday 24<sup>th</sup> March to 08<sup>th</sup> April 2020. Subject to Government's further directions, this Department will issue further circular instructions after 08<sup>th</sup> April 2020 on future work arrangements. All Public Servants are advised to follow further Government directions through the media.**

- **The leave of absence from workplace is not a public holiday. It is only an arrangement for Public Servants to isolate themselves and avoid physical contact with other colleagues and the general public for the 14 days lock down period announced by the Government.**
- **Where possible, Agency Heads can assign priority activities to their employees to work from home and update through any forms of technology-based communications.**

**Only the essential service agencies such as those listed below will continue to provide essential services but are encouraged to take extra precautions in the course of their duties.**

- **All Health Sector Workers**
- **Immigration & Border Security**
- **Customs & Internal Revenue Commission**
- **All Uniform Personnel (Police, Defence & CS)**
- **Government payroll staff, NIO and other Central Agency staff involve in the operations**
- **Any other agencies that the Government issues directions as and when required.**

As directed by the Government, all other public employees are encouraged to stay at home and follow the basic health & hygiene instructions issued by the Department of Health.
